I don't think I'm being clear.

Mr.=Epstein gave [REDACTED] a suggestion for a new landing. She was to investigate, after determining its viability she is to take me and WAPA to see the new la=ding so we can adjust the distances. The weather has been windy with rough=seas that delayed her access. I have not seen nor do I have any informatio= on the new landing at this time. I have been patiently waiting even thoug= a portion of my pay has been withheld until this is completed.

Mr. Kahn,

I am still=waiting to be notified of an available time to view the new landing. My un=erstanding is that it is being coordinated with WAPA so that only one trip=is necessary.

We are going to To=tola with WAPA this week to finalize their landing site. GSJ st=ff is ready except for land stuff which Hugo needs to finish off, now=WAPA is the critical path and we are moving on that, we have just been slo=ed down by the awful seas which have prevailed the last month.
