Hi Jeffrey,

There is nothing more in the design world =hat it would make us happier than to achieve the "Design" of your Island home= I'm saying this for many reasons asides from seeing that it is a great opportunity for us all.

Having said that, the main point I get fro= all the effort this Month and a half (since 20 of January 2017) is that:

If we want to achieve this in record time, we need to be interacting face to face more. Somehow i= each of the presentations we have done, there was no real opportunity to make th= interesting and important points, so therefore I feel an opportunity was lo=t.

Jeffrey If you see any further added value=in us, or if you feel it's worth your while to continue let us know.

Either way, we would like to take the oppo=tunity to ask that (in the event you want to continue) we will need to agree on a proposa= an retainer to make it things more professional.

By now you know that:

I will be more than happy to keep assistin= you in defining the design outcome, but on the other hand, you need to let me know how you would like to proceed.

Jeffrey I personally had a lot of fun work=ng with you on trying to decipher this design conundrum.

I have to admit it almost looks imposable,=but we know it's definitely doable.

Please call me or let me know.

Regards

Eduardo
