I don't think I'm being clear.

Mr. Epstein gave [REDACTED] a suggestion for a new landing. She was to investigate, after determining its viability she is to take me and WAPA to see the new landing so we can adjust the distances. The weather has been windy with rough seas that delayed her access. I have not seen nor do I have any information on the new landing at this time. I have been patiently waiting even though a portion of my pay has been withheld until this is completed.

Mr. Kahn,

I am still waiting to be notified of an available time to view the new landing. My understanding is that it is being coordinated with WAPA so that only one trip is necessary.

We are going to Tortola with WAPA =his week to finalize their landing site. GSJ stuff =s ready except for land stuff which Hugo needs to finish off, now =APA is the critical path and we are moving on that, we have just been =lowed down by the awful seas which have prevailed the last month.
