I am an aunty. My precious little niece was born this morning. Premature and=tiny, only weighing 1.8kg, but she is doing very well and hooked up to all o= her wires in neonatal icu at St. George's hospital. She already doesn't n=ed the breathing cord in her mouth because her breathing is good, she just h=s the cords through her nose now and all the others. Tomorrow my sister and=her husband get to hold her. So cute, I think she already got fatter since t=is morning.
