Sorry </=iv>

I worked extremely=hard on all of these items. Especially RO and Switch Gear

Noting Switch Gear issue started =n 2013 and RO in 2015

I addressed these issues Nov 2016 after finding out that basically no=hing was working, no PMA being completed and everyone was blaming someone =lse for the issues or ignoring it totally rather than trying to resolve th=m

I'm looking for long t=rm resolve and relationships so this does not happen to you again

Working extremely h=rd to save you expenses that companies where trying to charge you. Doing a=l of this with very little support and working remotely to resolve these i=sues

[REDACTED] will be for=arding the Project Report noting all of this history, so you may review◆=A0
