March 29th closing should work good,

I spoke with WestField this morn,. Their expectation is to have PreBuy comp=eted the week of March 20th,. It will take a couple of Days for WestField =o prepare the final documents and log book review by March 24th,. These Da=es are estimates depending on Repair items,.

The Brakes will be removed from the aircraft and sent to Savanah for tear d=wn and inspection.

Engine runs and Power Assurance checks tomorrow, Borescope of engines and A=U will be accomplished by Wednesday and Thursday this week.

Chevron has told Gulfstream to repair all items found during PreBuy inspect=on at the time they are noted, at Sellers expense.
