Good morning,

Really nice aircraft, g=eat pedigree- very quiet.

Realistically has 3 doo=s to the airstair / entry- G550 sliding door (std- no curtain), fwd lav do=r that when deployed closes off entry area,  
Then a really great poc=et door to seal off main cabin. 3 lines of acoustical defense and 2 means =f privacy.

Having no crew rest are= makes this cabin HUGE- you get another 6.5 feet. I was with a new 5=0 client yesterday that would have died to have this open cabin.

Congrats- i believe you=picked a winner.

Best regards,

Eric
