Jeffrey

In regards to the 144months items that are interior related such as headline= removal and below emergency exit window frames,.

I'm thinking of accomplishing those items during Eric's interior work since t=e interior will be gutted,. This will satisfy the 144 month items so we don't have to remove the interio= in 2020 I would have Hawthorne aviation in Islip accomplish this, most likely better=pricing as well,: Hawthorne is a good reasonable shop I trust them,: since E=ic will be responsible for interior removing this will save on my maintenan=e quote from Hawthorne Do you approve of this approach as well?

Thanks Larry
