In regards to the 144months items that are interior related such as headlin=r removal and below emergency exit window frames,.

I'm thinking of accomplishing those items during Eric's interior wo=k since the interior will be gutted,.

This will satisfy the 144 month items so we don't have to remove the in=erior in 2020

I would have Hawthorne aviation in Islip accomplish this, most likely bette= pricing as well,: Hawthorne is a good reasonable shop I trust them,: sinc= Eric will be responsible for interior removing this will save on my maint=nance quote from Hawthorne

Do you approve of this approach as well?

Thanks Larry
