The protection strategy is always the same. tr= to avoid unintended fires. if one starts put it o=t as quick as possible , using at first, Standard Procedures. based=on experience . no guarantee of success but increasing its odd=. ie When gigi first approached you, I told you , argued with =ou and eventually lost the argument ,after you consulted with Karp ,=re immediatley taping the conversation. Normally its the first ,most=emotional, meeting . that gets the best results when it is played fo= the extortionist. I respect that you wanted legal advice before ac=epting mine. . it turned into a blaze, and the lawyers eventua=ly bought in. 6 months of hell. . same for the reasonab=e cause letter that is virtually the same as the one i wrote in sept. =A0 . but did not give in to the views of pesner , josh.s guy ,=okun, fenn, brad, barry, though it would have been easy. =A0
