yes, be advised that after 5 months, today I have no master plan no elevations not anything at all that is useful. I sent along the forms I wanted to see . elevations sections master floor plans. ♦=A0 . I am very very disappointed. wood around the pool.? that makes it impossible to walk on. renderings done by computer without a floor plan. . ? doors rooms terraces looking into toilets. =C2♦ . stairs leading down from entry. mislabeled =oops. ignored instructions. you tell me that=the topo is right though you were standing nine feet above the beach the =drawings say 40 ft. .

the new computer renderings. show cabanas rebuilt at different heights. in the same location?? for what reason . eating area that has never been used redone and the bathroom has a chair outside on =the raised platform. ?

The soori presentation is what I need . you presented image boards and then have produced nothing like the images. Im sorry but so far. ♦=A0 including yesterdays girls casitas MAKE NO SENSE at all to me. maids storage , wie talkied service .

So, if we are not going for the casita con=cept, are you envisioning more like a 4 bedroom single house? One story? Ca= you send me an image of what you have in mind?
