Subject: Castle event

Jeffrey,

We j=st spoke with Ben and there's a small private event organized by ou= common friend Simone. It's taking place in the Castle on July 6-9 &=bsp; <http://www.castellos=galari.com/> <<http://www.castellosegalari.com/>> . We both are going there.

It =80 ll be a few scientists, AI, blockchain people. Everyone going there is=smart, nice, trustworthy and most importantly fun.

If you come for a day or a few days it'll be super fun and we=would really enjoy seeing you <3

P.S.: there ar= bunch of ways to come and stay private there. I can work with your assista=t to organize it conveniently for you.
