I wanted to update you on my school project. While I was on the island for =y consulting visit, I heard rumors about two pieces of information. Starke=s school in Denver being sold to a Pennsylvania based billionaire inv=stor who wants to expand the school to more locations.

The same week, a new school opened in Tennessee, a complete copy of Rob=s and my concept. I've since had the information confirmed.

It's not that we fear competition, but given the relative small market,=we have decided to mothball the project for now and maybe see where things=stand in a year or two.

This means that I'm totally free to do other projects, consulting or fu=l time employment.

If you want me to go back to LSJ for a follow up visit, I have time between=Feb 12th and 23rd before flying back to UAE.

Thanks

John
