in a relaxed hopefully now more self aware mom=nt you might . ask yourself , 1 why do i continue to tel= jeffrey that I i spent 170 million dollars , when in fact i r=ceived more than 8 times that amount in return. . In addition - When=I appealed to him for financial help , he was there for me ,(as he =as always been in my personal life) and in the process achieved fo= me a truly remarkable result. Then question -why you would a=k him to lay out step by step in detail , last years complex t=ansaction, then decide not to pay him for it. (phaidon aside=). and even recently when it became obvious to you . that the =865 transaction would require more of his time , effort and ex=ertise than either of you had initially contemplated why=didnt you say , jeffrey thank you , I should pay you for your =ork . what do you think is fair. but only repeated =you said you would do it for free. so why should i pay you. .=C2 you are a better person than this behavior suggests
