Good morning Larry,

With regards to the Aircraft's "questionable pedigree=E2", please let me confirm that this airplane has been operated and =anaged by TAG Aviation in Europe until 2013 and maintained to JAR Ops Stan=ards. Since then, it has been maintained by Gulfstream, Savannah up =hrough the 12C check which was completed here last year. I would arg=e that this Aircraft has excellent pedigree and maintenance history. =We spoke w the owner last night. In light of your request for WIFI y=sterday, they would prefer to simply discount the aircraft by an appropria=e amount so as to allow this to be done by the Buyer to their preference.=C2 Please find your accepted LOI attached. We look forward to wor=ing with you,

Please let us know if you prefer to view the aircraft first, or begin=working on an APA in conjunction w the coordination of the viewing. =dditionally, please advise on the status of the deposit. Thank you,=20

Hello Pat,,

I would like to make an offer for your chinese pl=ne. As you know it is quite well known. I'm sorry your client co=ntered what my principal thought was way more than fair. Given its questio=able pedigree and current appearance. we are going to buy a 5=0 in the next two weeks. I'd thought I'd give you an opportunity t= be the next one sold. SE Toyota's sale set a new level for earlier se=ial numbers. That being said we would offer \$14m as before, bu= only if all the service bulletics and Sat/wifi were installed prior and i=cluded in the price. If your clients are interested please let me know asa=.

The market, is what the market is, if not I wish you lu=k.

Best,
