Greetings Sir,

I want to thank you for all of your support these last few difficult months. It has been an enormous help and has allowed me to focus on getting better. I am doing well and am getting back to my old self. I have an appointment in June at which time they will schedule my final surgery. In the meantime, I wanted to reach out to you about getting back to working on the island. I hope to see you when you come. I still have a couple restrictions but am eager to get back to work. I will find out from Anna when you are coming next. Thank you very much for helping me and for all of your support.

Carlos
