Dear Jeffrey,

Let me use this day as an opportunity to express how grateful I am for your existence, your support, your relentless energy and unbelievable curiosity= the joy that you take in intellectual pursuit, and the contributions you make to the universe becoming aware of its own nature through the machinations of our little minds.

With deep thanks and the very best wishes for your travels on this world, your experience and insights, and your friendships and health!

Very sincerely yours,

Joscha
