The visa issue has been on our whiteboard since aug= I really wish you had not gone to Arda 2 can you =sk yourself why you repeatedly feel it necessary to attack me = ? these attacks are usually accompanied by incomplete facts a=d with real force .? on another note I would truly welcome you= constructive views on the " Filthy rich" instead of=the pesner story . ? (the saudis asked me to aut=graph a copy) also ask yourself how many times you have =recently said to me " I expect " when merely calling=on our unique friendship to get something for free . fyi If th=ngs go south with Deb, you will be strongly relying on my structures=C2 which you seem to consider of little value.
