Aby should pay me for using his pla=e. Will try to get a "deal."

My back up could le La Grenouille....not sure it&#=9;s big enough, but very beautiful.

Dear =by,

I would like to do my 70th birthday party at the Four Seasons on eithe= Wednesday, May 31st or  
Thursday, June 1st (My actual birthday is July 17th).

In the past, I have given myself a 50th birthday party and a 60th birthday party and both were memorable evenings with a cross section of social friends, cultural leaders, and media elite.

If the restaurant will be ready and either one of those dates are available and you are interested in this private dinner, please let me know who I can get in touch with.
