Obviously there was a miscommunication as I wouldn't waste your time by coming to you with a small idea. As I did =tate, if you came in as his majority capital partner he could make 3.5 =f the H inventory available. As I told you all of H was =ubscribed but he could free 3.5 of it up to attract a single investor and then =rticulated why he wanted a single investor. I also reiterated =hat to you in an email after our meeting. I then sent you a =tructure and model as requested for your review. I apologize for any confusion but he had no need of capital for H but for a bigger =icture deal he'd happily make some of that inventory part of a =igger deal. I do not re-trade ever and in fact it wasn't =y trade to make, I was merely making you aware of a live opportunity with a friend of mine. Since you hadn't made a decision =here was no trade to speak of only a conversation anyway. Again =orry for any miscommunication and wish you a happy holiday. If =ou'd like to deal directly with Joe on any remaining interest, =ll step out of it as I have no skin here other than being an =nvestor. Your CFO has Joe's information and you guys can =each him directly if you wish.
