Just thinking about price comparison:

SouthEast Toyota doesn't list Satelite Wifi (value \$600k) no mention of Synt=etic vision(\$350k) also has 4100 landings which is closer to 5000 landing i=spection,, Where as 5173 has 1100 landings plus all avionics installed.,

I have not mentioned any 550 serial numbers to Chip at all,, Chip asked Jack about 550 market, which was the last email I sent you, My Guess, Jack Pruitt has his eye on 5173., for what it's worth, Chip just Texted me this:

"5173, major Corp probably get it off their books at the first real offer"

"Best think about Jack, he's seen all the prices. Chevron has wholesaled las= 5 airplanes they owned to Jack"
