Hi Jeffrey, we are back at the office and I can start using my support=team now.

This time I'll be s=nding you more ideas related to the connection between the two Islands.

A new concept of a floa=ing platforms ? That will be anchor , to the bottom of the ocean, similar =o the boats anchored at Christmas Bay, but these platforms will be between=your two islands.

This will create the se=se that the other vessels cruising are entering private property.

And will give as a chan=e to design something on top them?

Let me start drawing so=e more sketches today, and I will be sending them by tonight , so we can d=scuss if it makes sense to you ?

Thank you evertting, and=specially for all the support given to us at the island, we appreciated ve=y much.

It was great to meet yo= Jeffrey

Regards
