i just spoke with David Mitchell and he explained that need for money was pushed back as he was able to obtain an extension from DB to Feb 1st. I said to David that was tomorrow and he thinks he can extend with DB 1 more week.

regarding march / april time frame vs june 30th and july 31st david still believes he will meet those deadlines however he wanted additional breathing room in case building department fails TCO inspection or that they are not timely in coming out to look at project. david said both of those circumstances have happened to him in the past

still no sales however they will do a hard hat walk thru with brokerage community feb 16th and march 15th the 3rd floor sales office will open

david also spoke about obtaining a fra (150-200) member list and will market directly to them. david said they will market together and he will donate 100,000 for each purchase from that list to Safra

he said a portion of that money would come from commission paid to broker (his wife)

please advise on funding of loan of 1,500,000 from FTRE

thank you
