thank you for taking the time. I wonder= whether the spins that seth referred to . m=p out a space. and if so can operations similar to surgery be done d=rectly on the electrons as opposed to first turning them into zeros =nd ones and performing operations by classical computation. =A0 your surgery is an operation. that enables a qu=ck conclusion, no need to first translate to algebraic equations. =A0 .

mike, seth, don, bob, jeffrey

thank you so much for the brilliant event yesterday.

i am sending you this email so you are all connected.

and all connected with jeffrey.

bob, sorry you could not make it.
hope you will get better soon.
next time will work...

m
