Looks like a nice plane. Wow. I think i paid 11 for mine. I would have paid 14 for this one in a heart beat.

I really like the layout. It is very similar to mine except I have a mid-cabin conference group and no aft bulkhead door.

I wanted an aft-cabin bulkhead door, but have enjoyed the room without it. When I get on other planes with the door, the cabin seems smaller, even the 550. I rarely take non-family on super long trips so it hasn't really been in an issue.
