I will check with BLUA regarding the hearing =ate, but I have no control over when they schedule the meeting, as it =A0up to DPNR when they send the files to BLUA. This will be from Michele B=ker. Additionally, the hearing date will be based upon the individual sche=ules of the board members.

The survey=r is scheduled to go to LSJ on Wednesday at 8:00a.m. Once I get back the s=rvey, I will revise the floor plan. I have transmitted final drawings on t=e metal sheds to Brice Gordon and Elderfield Roberts. They have to work on=getting the final cost proposal for the sheds. Once that is done, we can a=ply for the building permit and start. As we already have CZM approval, th= building permits will only take about two weeks to approve.
