Good Afternoon Rich

&=bsp; This did address pay increases but the more important is=ue is the length of time that LSJE has engaged "Independent Contractors◆=9D whom clearly are needed i.e

Cristobel Herrera (=/18/14), maintains Irrigation Systems for both Islands
Orio=e Joseph (3/13/17) Painter
Dale Mark (8/29/16) Mechanic
James Cesar (5/30/17) Carpenter

Please note t=at as of date and time there is 1 employee in Engineering, Painting & C=rpentry
Even with one island there has never been so few employee= in these divisions.

As we all know St Thoma= and St John have very few skilled workers, everyone is struggling to find g=od reliable help. Many of the crew in all divisions have taken on other wor=, getting better hourly rates.

We have the opportunity to invest i= a good cohesive team, that have proven that they can work together, it see=s a shame that we are letting that go and why wait until Sept?

Please confirm that I am informing the "Independent Con=ractors " that their positions will be reviewed in Sept?

Thank you
