Subject: Re: Important day to remember :)

I might head over there frequently this summer if an acquisition I am working on for blackstone moves forward... Would be great to see you more often! Let me know in the meantime if you stop by in the south =)

And I have not forgotten the trip to Milan of your friends (and maybe you) next month. I will let you know as soon as I have visibility on the schedule so we can organize for a time that is convenient for everyone.

Thx
G
