**Subject:** KA Wifi

Jeffrey, I wasn't pleased with the speed of KA Wi-Fi on our trip to P=ris, further troubleshooting I noticed we had no usage of KA band Wifi,,, o=ly SBB Swift broadband which is our original Wi-Fi system installed, as you know we have two Wi-Fi systems on board, since KA did not logon it re=erted to SBB., We maintained SBB for CPDLC operation.,

Rusty is setting up Gulfstream fast team to help me troubleshoot., this shou=d all be covered by warranty from Gulfstream I'll keep you posted,

Thx  
Larry
