to have access to the users, but the app will be free to download.<=span>

I also plan on generating income by allowing local
restaurants=C2♦advertise=C2♦within the app as well.

My long time goal is to get a contract with the=local government to have an subscription account so ALL employees have acc=ss to trainer.

i also attached a soft copy of my business plan and the flow=chart showing how its gonna work. I'm in talks with a developer and wo=king on the financials to get a projection of how much this project would =ost me.
