I just spoke to Anna. She said that there is no machine on GSJ yet. Everything is on LSJ and not on the beach.

With warm regards,

JP Oriol called John Woods about a third party reported that a track hoe is working on the beach NOT on the knoll. The beach is an unapproved area. He asked John to find out what is going on. John called us. What should we say? Also, should Daphne send a copy of this email to JP to John?
