Jeffrey,

I have been in the Czech republic dealing with a fam=ly matter I think you will find interesting. That's no= an excuse for your grandma missing your birthday. But it's only a=few hour miss, so...

This story is about my mother's father. =A0 He was Viennese but after divorcing my grandmother in=the early 1930s he moved to Prague where he owned businesses and hotels.=C2 The Nazis took over Austria in the spring of 1938. My parents were married that summer but my grandfather, Nathan Kusznier, couldn't =o because he would have been arrested by the Nazis. Then, in N=v 1938 my father was put in a concentration camp from which my mother got =im released in late Feb 1939 by petitioning the Nazis and showing them the visa that had been approved for my parents to emigrat= to the US. Minus all of their money and possessions, which was part=of the kleptocracy strategy the Nazis let the Austrians Aryans carry out a= a reward for welcoming in the Nazis with open arms, my parents arrived and then tried to get a visa for my gra=dfather. However, because they weren't citizens and couldn=E2 t find a sponsor, they failed to do so before the Nazi invasion an= takeover of Czechoslovakia in June 1940.

Read the attached if you have time.
