I have used this model before with other to limit exposure to lawsuits from terminated staff:

Purchase an existing landscaping business in St Thomas using company not related to JEE as buyer

Transfer all staff to that entity and give them LSJ/GSJ as contract work, billed at cost.

Multiple advantages. Existing landscaping company already has multiple clients so it gives more flexibility in times with bigger or smaller staff needs.

The landscape company will not be a target of the "extortion" you currently experience. No deep pockets

Easier to terminate staff and you also have a broader range of staff to pick from from the other landscaping staff.

Wholesale pricing for all materials
