I have some other solutions to the issue we discussed =n thurs. . it can wait until tues to discuss face to fac=. with regard anything at all to do wi=h tax , estate. office. I think you should reflect on the fact=, that up till today if one thing is clear is that this is not your area o= expertise. the people that YOU have chosen from the begiinnin= have not worked out well for you in most regards. =C2 Lerner Elieen . Tom. Brad, joe, john, ada.=C2 . The fact that you are reading the reasonab=e cause letters yourself is just silly, you dont know t=e rules. the practicalites. the risks. the history=or the procedures. . given the past history, im no= sure you should be advising yourself.  
<=div>Obviously you have an issue with paying people . =A0 you had joslin as direct result of you only willing to pay 250k. =C2 i paid the balance of 50 myself. because you were beeing unrea=onable. and putting yourself at risk. you didnt li=e it but otherwise it would have been another eileen. =A0 I urge you to take a cold look at your results. =C2 overall you have been repeatedly supri=ed in your personal lif= . assuming others shared your views. . =A0 you have plenty of money. plenty. making =ecisions at this stage . based on trying to get the most for free is=dangerous , and irresponsible. . sorry=
