RE: Little St James

Hi Rich,

Very sorry for the delayed response. I was summoned to Saudi last week for meetings – and am now sitting in Jeddah.<=o:p>

Unfortunately - we have been reviewing our current workload and have had to come to terms with the fact that we do not have the resources available to do justice to this project. The project deserves a level of commitment that we are unable to offer at this time.

We wish Mr Epstein well in the redevelopment of his wonderful islands.

Yours sincerely,

TIM PECK

Hi Richard

It looks like it will not be possible to get to STT and back in a day from Miami and have sufficient time to visit the site adequately, therefore my colleague will fly in on Thursday afternoon and leave on Friday afternoon, around 3.40. This would give us all of Friday morning to meet with Mr Epstein and tour the islands. I will probably fly down to the BVI a couple of days earlier and travel over from BVI to USVI for the meeting and fly out to Miami on the afternoon flight.

If Mr Epstein is in the USVI on Thursday night we could perhaps meet for preliminary discussions, and/or travel over to the islands early on Friday to meet and tour the properties.

Please let us know how this would work with Mr Epstein's schedule.

Many thanks,

TIM PECK
