mine if you want :)

Fashion is going down now, others =oo risky. If you buy an agency and the key people get out then the agency =alls. It's a people's business.

Elite on sale, Why=Not on sale, Fashion on sale etc etc but I would not buy any. Much better =o invest the money in a new one, hire the right people and it costs you a =ot less. Alternatively you can buy an agency only from someone that you tr=st 100% and that will not steal the personnel out. Not a simple business b=t we have fun doing the hard things where 99% of others fail :) =br>
