Spoke to Brice today. He wanted to go over the staffing needs for the Is=and. Brice and I are in agreement about most of the changes needed to opti=ize the staff.

We both strongly recommend that Danny Vicars is replaced.

Carlos to work as regular boat captain. Hire capable marine manager who can=gt; get maintenance and excessive boat usage under control. This manager needs=to be able to run barges as well so Boscoe is not the only option for barg= captain.

Brice would like to replace Peter in landscaping. I don't have enough i=sight currently to comment on that.

Brice would also like to hire lead carpenter who is capable of reading and =riting. I agree that it is a big handicap to have a lead carpenter who can't calculate square footage and write a shopping list.

Housekeeping staff sufficient. House manager to fill in where needed
