Subject: Security for Ehud

Rafi, who is in charge of security for Ehud, called me re all the people we send in to clean/check up on apartment 11J. He would like to run a background check on anyone we plan to send in (I sent in █████ and █████ this past time because they were the only 2 around to help with food and flowers). Do you wish me to send him a list of all who live at 301 plus Merwin, Leo and █████ so he may do a background check? (FYI-in order to enter 11J you must call=Rafi and ask him to disconnect the alarm first. So he is aware of everyone entering).
