Owner of the GV is Justin Jenkins,. Rumor is he paid \$8M for the plane= Spent \$200k on interior and \$175k for P=int, - Prebuy was done in Gulfstream in=Palm Beach when Jet Evolution purchased about 6 months ago,. I sent Susan specs on our GIV for their review and Trad= possibility,. I have not mention the \$=M plus our plane yet,. Waiting for her to respond with Trade Value of the G=V.,

Larry,

Regarding our G=V, please go to our website to view the specs and photos: <http://www.jetevolutions.com/g=-sn-552/>

I found a picture of=the crew lavatory after we redid the plating but before the leather was rep=aced. It will show wear from storage of bags but that leather has now=been replaced. The old picture is attached.

I have also attached a picture of the cockpit (=igh and low resolution so you can zoom in). We redid the crew seats a= part of the interior work so the chairs have new sheepskin and the plating=was redone for the drink holders. It is hard to see in the picture bu= the aircraft does have HUD.

I will ask our DOM if he has any pictures of the crew galley and fli=ht attendant jumpseat and a more recent picture of the crew lav. =
