Hello Richard,
<=r>

There have been only two Black Shiver 220 models built so far and neither of them are available for sale. The base price of the 220 starts at Euro 2,500,000 (ex-VAT) with twin MAN 1550hp and has a 14-16 months construction time.

If requested, the windshield can be fully enclosed and have wipers added. Please find two close-up photos of the 140's windshield attached to my email, together with one of the flagship, the 220.

I've also uploaded a video of the Black Shiver 140 cruising, that you may download on your computer to watch (approx. 109MB) :

Dear Richard,

Thank you for your call about the Novamarine Black Shiver 140 available for sale. Our company, Aqvaluxe Yachts, acts as international sales office for the Novamarine shipyard, hence all sales are conducted directly on behalf of the yard.

Enclosed to my email are the photos (11 in total) of the latest Black Shiver 140 launched in August 2016. The vessel has been lightly used for demo and boat shows, has very low hours (less than 50hrs) and is not yet registered. It is now the end of the year, and we have decided to offer it for sale. Full 2-years warranties on both boat and engines will be offered to the new owner, which will be registered as the first one. The Retail price is Euro 875,600.00 (ex-VAT). As special end-of-year sales condition, we are offering an exceptional 20% off the retail price down to Euro 700,000.00 (ex-VAT). Construction time for a custom new build, are currently around 4 to 5 months.

Please don't hesitate to share your thoughts and let me know when the best time will be, next year, to get together to organise the sea trial and visit the production site. For any additional question, don't hesitate to contact me directly.

Kindest regards,

Alex
