Can we proceed in the following manner, populate a list of projects for your review which you can add or delete from. Once agreed upon, then we proceed with budgetary proposals for Riches approval

Is this OK

I would like a list of projects and budgets for ongoing and future, so I can approve one time and not day by day, project by project. A0 and no work should get started without an approval from rich. A0

Good Afternoon

Reference your email forwarded 12/21/16 - Project Reporting

Attached draft of proposed reporting for LSJ & GSJ

"Current Updates" would show the "important" projects, with latest update & photos if required

"Current History" would show the History of all Projects, including Current as a back up

Everyone would forward updates to the [REDACTED]
<mailto:[REDACTED]> as required, then a full report would be forwarded once a week to the required parties
