Subject: Gregory East

John, This was taken a few years back when Mike was more active at the site. This shows what the dock can handle if actively managed. I understand YHG has raised fees again for docking. In order to tap into that market the property would need to be fenced and security in place. These are European yachts that almost always go stern to. It also gives a nice overall view of the property. I'll get you the figures and other info you requested. Bill
