Hi sir,  
Chiller is back up and running...

=br>  
Panel is up and running now. We los= back up battery where panel is connected to that made the panel lose all t=e programming.

Hi=sir,  
I'm sorry to tell you that our BMS system that controls t=e chillers and pumps are down. I was in contact with Siemens and waiting fo= their call.

I'm so sorry....
