Talking about how the Billy Bush tape=was not so shocking if you've worked on the Wall Street trading fl=or, Mr. Thiel says: "On the one hand, the tape was clearly offensi=e and inappropriate. At the same time, I worry there's a part of S=licon Valley that is hyper-politically correct about sex. One of my friend= has a theory that the rest of the country tolerates Silicon Valley becaus= people there just don't have that much sex. They're not h=ving that much fun."
