Moving forward w L'official, not much else. I don't think the Brazilia=s from Joy models have anything specific to talk about. They never express=d a desire to sell the agency completely, so I assumed they want some kind=of capital infusion but not sure for what. One thing I recall was mention of buying out some Eastern Europe=n agencies (which I thought might interest you), but since they proposed m=eting in Paris a couple months back I haven't had much contact w them. I'l= be back in Brazil in Feb.

How are you?
