Jeffrey,

Need your OK for this:

Implementing checklists for each department. Department head signs and return to island manager 1 day before your arrival.

Marine, housekeeping, landscaping, engineering, vehicles, IT and tech

Manager collects all signed checklists and store in binder located in kitchen.

Message is that signing off on a checklist without performing the check equals lying straight to your face.

Hope to achieve more accountability from department heads and with a systematic checklist, improve Island readiness

Ok to proceed?

Thanks

John
