You have no idea how hard we have been fighting, scratching, and clawing relentlessly to protect all of investors including you. It's been 24 hours, 7 days non stop. We have put all of our life force and souls into it. Anybody else would have thrown in the towel. I get we haven't been communicative as maybe we should have been. I'm sorry for that, it's only because we have been so deep in the fight. But you should really understand what we have been doing and what has been happening before you accuse me of being irresponsible. It's really hurtful and simply wrong.
