Jeffrey,

I was bored in the hotel room, so Pete and I played on the 550 today.

The new TV we placed in 550 didn't have Bluetooth capability, Found mini Bluetooth transmitter at BestBuy that works great, plus it =99s capable of operating 2 devices at the same time,, so the Bose headset a=d aircraft Stereo are able to play TV audio., In case you want to download some movies on your iPad it is ready!!

Thx

Larry
