Subject: How embarrassing. (cavett)

Dear Mr= Epstein,

Mr. Cavett has insisted that I apologize to your for my failure -- when Mr. Cavett dictated to me his note to you =esterday -- my failure, I say, in typing it up, to determine the correct spelling of your Christian (or 'given') name. An unforgivable=C2♦faux pas -- as Mr. C. always characterizes it. He declare= that this must not happen again. I wholeheartedly concur. I am cove=ed with shame.
