Dear Richard,

Thank you for your message. I was going to write to Jeffrey =his week to update him, so yours is timely.

I am still waiting to be paid a substantial commission due to =e for effecting the DynCorp intro to the Government here. But =realistically it's going to take time.

I =on't see anything happening before year end, but in any case will alert =ou as and when I get notification of payment.

With best wishes,

Mark

Hi Richard

Many thanks for your good wishes for the New Year which are most warmly reciprocated. Forgive my tardiness in replying to your email of yesterday. My only hesitation in not doing so, was that I wanted to have some clear and precise information to give you. I told you in good faith on Dec 30th that I was awaiting the AWBN as I had been assured that the draft was shortly on its way. I am still trying to find out what the delay is and get some accurate timing and the tracking number.

As I informed JEE, you will both be immediately informed as soon as I have this.

As ever,

Mark
